

Back in Full Swing: May Updates

A YENGolf Newsletter

MAY - 2026

We hope you've been keeping well and hopefully getting some swings in too! With the recent weather, we know it hasn't always been easy to get consistent time on the course. A little rain here, a few reschedules there... but that's all part of the game.

The real question is how often have you been getting out to play? Have you explored a new course lately, or have you been meaning to but just haven't gotten around to it?

As we settle into May, it's a great time to get back into rhythm. May is all about consistency, growth, and enjoying the process.

Let's keep the momentum going.

Let's play.

Tournaments & Events

May is shaping up to be a great month on the course, and even better, it's all for a good cause.

We have **two charity tournaments lined up this month**, bringing together golf, community, and impact. Whether you're looking to compete, network, or simply enjoy a great day out on the course, these are events you don't want to miss.

Grab your spot, rally your fourball, and come through for a round that goes beyond the game.

Golf has a funny way of reminding us, there's always another round. Another chance to improve, to connect, to enjoy the walk between shots.

As May unfolds, we hope you carry that same spirit beyond the course too: show up, stay consistent, and enjoy the process even when the weather-or life-doesn't play along.

Thank you for being part of this growing community. We'll keep building, keep playing, and keep making every round count.

See you out there,
YENGOLF TEAM
